MAY BE KNOWN  
ON EARTH" PS 67**

## DISCIPLES MAKE DISCIPLES

**This is eternal life, that they may know YOU, the only true GOD, and JESUS CHRIST, who YOU have sent. John 17:3**

The Fall 2017 semester of our ministry among students in Ukraine has started! We spent days in planning and are very excited to see our students' faces again. God gives us new challenges, brave ideas and deep understanding that we are completely dependent on His leadership.

Our vision: to glorify God by personal transforming into the image of Jesus Christ and multiplying faithful disciples among our nation and over the world. And if He will lead us to do something that we didn't do before we intend to trust and obey "for it is God who works in you both to will and to do for His good pleasure." Phil 2:13

We have a dream to start a ministry for international students in Ukraine and this year God is leading us closer to this goal. We are going to take part in a winter conference for international students in America called VISION 2017 and we are working on taking five foreigners with us from Ukraine. We pray and hope this conference can bring good opportunity to find among the foreign students who study in Ukraine those who will become committed to be part of an International ministry team. In our next letters we will give you updates on our preparation for the Vision 2017 and about students who will come with us. You can find more about the conference here: <http://www.visionconf.com>

**In a world that focuses on doing and being, there is real refreshment in simply being known by GOD.**

The Fall semester was started with meeting new students through several events such as a free city tour, sports, a Russian speaking club for Chinese students, English speaking clubs for Ukrainian students, Arabic language class, national culture parties and an evangelical project called "Who Am I?" which includes three personal meetings with each new student. For each meeting of this project we will use different interesting tools such as pictures or worldview maps, or perspective cards which will help students to understand their real beliefs and barriers on the way to know Jesus Christ.

Also we plan to make two new evangelical groups, one for Ukrainian students and one for foreigners. It will help us to get to know new students better and to see who is ready to follow and grow in Jesus right now.

We pray and expect God will raise up several committed students through events we do in cooperation with other Christians.

On the right side there are some pictures of the English Speaking Club at Kiev National University, Free City Tour, basketball on campus and a planning meeting of the Chinese Russian club with several Chinese and Ukrainian students and volunteers.

Here are the names of the Universities where we work this semester: Kiev National University, Kiev Polytechnic University, Conservatory, Linguistics University, Medical University and Architecture University.

### Please, pray with us in September & October:

1. For good friendships with new Ukrainian & international students and for their open hearts to learn about Jesus.
2. For us to prepare well for all events which we planned, and for the students involved in it to be responsible for some part of the event.
3. For five international students whom we will take with us to Vision 2017 in Washington DC, USA on Dec 28, 2017 - Jan 1, 2018. They will need US visas and airlines tickets, which is a big challenge for them.
4. Pray for us to have wisdom in all we do, serve God in the power of the Holy Spirit and expand our partners' team.

Then He said to them, "The harvest truly is great, but the laborers are few; therefore pray the Lord of the harvest to send out laborers into His harvest. Luke 10:2
