## God is moving powerfully in the Muslim World...

A Wind in the House of Islam is a very encouraging and educational book on how God is moving in the Muslim World like never before! I highly recommend reading it if you want to better understand what the Lord is doing to bring them unto Himself. No doubt that Light the Window, and other prayer ministries like it, focused on the unreached peoples, plays a strategic part in this positive trend!

### EXCERPT...

"When asked what God had used to bring them to faith in Jesus Christ, Turkestani Muslim-background believers talked about the role of dreams, the importance of having a New Testament in their own language, watching the JESUS Film, and other factors. But the most important thread linking each testimony was the discovery of a living Christ who heard and answered their prayers. Unlike the empty offerings of Communism or secular atheism, Christ touched a deep place in their soul that nothing else had ever filled."

— David Garrison, [A Wind in the House of Islam: How God is drawing Muslims around the world to faith in Jesus Christ](#)

Brothers, my heart's desire and prayer to God for them is that they may be saved.  
Romans 10:1

## Huge gathering in Pakistan hears the Good News!

*Recently, Marilyn Hickey preached to over 1 million people in Karachi, the largest city in Pakistan. The momentous meeting came during an eight-day mission trip to Pakistan. But that trip and those reached for Christ were the fruits of seeds planted years before.*

## UPG Focus - Songhai of Mali

PRAISE that five mission agencies are committed to doing church planting among them, though the complexity and dispersion of the Songhai will require a significant increase in missionary deployment. PRAY for God's grace to cover those who are there and for an increase of workers for the unengaged areas. Eternity is in the balance!

Population: 2,097,000

Hub: Mali

Religion: Islam

Less than 1% Christian

Resources: New Testament, Jesus Film

Engaged: Yes

Workers Needed: 30

Each year 19,000 Songhai die without Christ.

Please JOIN our Light the Window prayer network on Facebook, Instagram, Twitter, or via Email. The unreached need your prayers and we ask you would share our posts with your friends and family who have a heart for the nations. Thank you! As good reports are coming in from around the globe, there is still MUCH work to be done!

## PRAYER ITEMS

\*Please PRAY for wisdom as Light the Window pursues partnerships with other ministries in 2019 who are involved in reaching unreached people groups.

\*Please PRAY for the funds to buy a new Macbook laptop. I have an 09' model and it really is not working well anymore. I need a reliable computer to take with me when I'm out of town.

\*Please PRAY for continued growth of our Light the Window prayer network globally and for breakthroughs in 2019 for the UPGs we feature each month.
